Welcome to...

# Foot-tapper

Our first ever “real ale” and live music festival at the Mosset tavern runs from Thursday 5<sup>th</sup> to Sunday 8<sup>th</sup> April, 2018.

**Foot-tapper** has come about having talked about hosting a festival for the last few years. Real ale or craft ale is at the heart of our business and it is only now we feel there is enough support and a need for a new event in Forres so we have taken the plunge. We set about gathering a portfolio of the finest ales along with recommendations by our guests of the ales they have long since tasted.

Music will play a huge part in our Foot-tapper festival and we are delighted to welcome some amazing bands over the weekend. Read on for further details....

The talented chefs at the Mosset tavern have gotten in Think Mosset favourites with a street food /take-away/ festival twist!

Don't worry if real ale is not your thing (yet) as our bars stock plenty of great brands to wet your whistle. Craft cider, 40 Gins, 100 Malts, Cocktails and much more.

Beers will sold in thirds of a pint so you can savour a little more responsibly. This is a supply and demand festival, when it's gone –it's gone (until our next festival)  
Have a great weekend,

Team Mosset
